The Association

The Air & Waste Management Association (A&WMA) is a nonprofit, nonpartisan professional organization that enhances knowledge and expertise by providing a neutral forum for information exchange, professional development, networking opportunities, public education and outreach to more than 8,000 environmental professionals in 65 countries. A&WMA also promotes global environmental responsibility and increases the effectiveness of organizations to make critical decisions that benefit society.

The Vancouver Island Chapter

The Vancouver Island Chapter organizes local events for members and non-members alike. These include hosting monthly networking lunches with featured speakers, sponsoring two annual student paper competitions, an annual scholarship award, and providing support for the Regional Science Fair. The Chapter also hosts specialty events from half day to multi-day conferences.

Why Are We Hosting a Golf Tournament?

The golf tournament represents a fun event to raise money in support of our ongoing Student Programs.

Sponsor's and Donor's Packages

By contributing \$285 as a Sponsor, you will receive recognition with a sign displaying your company name at a tee box during the event, a listing in the program, announcements at the dinner, archiving of your sponsorship on the Chapter webpage and one entry into the Texas Scramble ("best ball") golf tournament and dinner. Although we will issue a receipt, the Chapter is not currently recognized as a charitable organization so regrettably we are unable to provide a tax incentive. Similarly, by contributing a prize for the event, you will receive a listing in the program, recognition on a posted donator list at the dinner and donator information, included with the prize. If you are planning to either be a game sponsor or a prize donor, we invite you to email your company logo to Chris Robins at crobins@crd.bc.ca for inclusion in the recognition program.
